

# The Next Generation of Heroes in Science

## QUAD Poster Competition Cash Prizes for Each Category!

### OFFICIAL POSTER ABSTRACT FORM

Abstracts for the 2018 QUAD Symposium meeting are now being accepted. There will be two categories; clinical/ scientific and husbandry/ management. Three cash prizes will be presented for each category and registration to the Quad will be free for the poster presenter! Posters will be judged on abstract content, knowledge of material, and appearance. Please attach a copy of your abstract to this completed form and send it to the poster coordinator. You will be notified via email 2 weeks after submission if your poster is chosen to enter the contest.

### ABSTRACTS DUE BY March 23, 2018

#### CRITERIA:

Size limit- 3'x 5'.

Poster should include: title, authors, affiliation (institute), abstract, methodology, results and bibliography. It is recommended minimum of 25 handouts available during poster hours. 4 typed copies of poster to be given to Poster Coordinator prior to judging.
